Association Bi ngond bi bassa Mpoo Bati
Att'n: Ms. Agathe NGO UM, President

New York, July 17, 2025

Dear sisters,

In the name of BABAMNA, the association unifying all the Bassa Mpoo Bati organizations throughout North America, I would like to sincerely congratulate you for a very successful event on July 5, 2025, in Washington DC. Your magnificently organized and well executed Gala was a demonstration of what our community is capable of, congratulations!

We address this communication to first express our heartfelt congratulations; but also, to provide details around BABAMNA's strong participation at your fundraising gala. The overall BABAMNA action translated into a **\$7500** direct financial participation.

Additionally, dozens of BABAMNA members came from all across the United States and Canada to support you; from New York to California, from Washington to Connecticut, from Colorado to Montreal, etc. We were proud to celebrate with you.

We were honored to accompany you in this important milestone as you raise funds to help our communities in Cameroon through support of local healthcare establishments. Importantly, we were thrilled to be able to showcase how unity can make our community stronger. We thankful that our show of force demonstrated why it is urgent for individualism and cults of personality should be forever eradicated in our community.

Dear sisters, thank you for the invitation to work with you in this important mission of helping our brothers and sisters back home, and we are very excited to continue to work with you as our first member association and alongside our many other member associations to continue to achieve greatly together and advance our common cause; we are very eager to continue to work with you and others as we build an even stronger BABAMNA community all throughout North America.

Pr. Dr. Me. **Zachee Pouga**, President
